Editors' Message

We want to thank everyone who supported us in making this yearbook. We deeply appreciate all of you who gave us pictures, information, ordered a yearbook, or helped in any other way. We could not have done it without the support from those who have helped.

I personally want to thank Stephanie Harnois. Her dedication and enthusiasm is what made this yearbook. Also, I want to thank Charlie Macke, who supported us even when things looked grim.

We hope that you will enjoy reflecting on your memories at Virginia Intermont College. We certainly put a lot of time and effort into making this yearbook as great as possible. We wish you the best of luck in the journey of life.

Ambition: To be a successful elementary school teacher as well as wife and mother!

Comments: It seemed like graduation would never come. It's so hard to believe that it is finally here! Time at VI really flew by!

Name: WARD STINNET,CARMEN

Quote:"Be Who You Are and Say How You Feel, because Those who mind don't matter and those who matter don't mind" -Dr. Suess

Comments: It has been a long journey but the end is near.
